II. PURPOSE:

- A. To establish the Deputy Secretary's commitment to equal employment opportunities for all employees, applicants, and candidates for employment.
- B. To establish formal procedures regarding the reasonable accommodation of employees, the public, applicants and candidates.
- C. To constitute the Index of Essential Job Functions as part of this policy.

Disability - with respect to an individual, the term disability means:

- a physical or mental impairment that substantially limits one or more of the major life activities of such individual;
- a record of such an impairment; or
- being regarded as having such an impairment.

Equal Employment Opportunity (EEO) - the operation of a system of human resource administration which ensures an environment that will provide an equal opportunity for public employment to all segments of society based on individual merit and fitness of applicants without regard to race, color, religion, sex, age, national origin, political affiliation or disability (except where sex, age or physical requirements constitute a bonafide occupational qualification necessary to the proper and efficient operation of the agency/organization). V. POLICY:

It is the Deputy Secretary's policy to assure equal opportunities to all employees, applicants and candidates for employment without regard to disability, except where physical requirements constitute a bonafide occupational qualification necessary for proper and efficient operations of the agency. Equal opportunities shall be provided for employees in areas of compensation, benefits, promotion, recruitment, training, and all other conditions of employment. Equal employment opportunity information shall be posted in prominent accessible places at each employment location.

VI. PROCEDURES:

A. Coordination of ADA Matters

The Central Office Deputy Undersecretary will serve as the YS ADA Coordinator. The Coordinator is charged with reviewing, recording, and monitoring YS ADA matters and will also advise and make recommendations to the Deputy Secretary or designee. Each Unit Head will designate an ADA Coordinator.

B. Requests for Accommodation

A qualified individual with a known disability of a permanent nature should be accommodated where reasonably possible, providing the accommodation does not constitute a danger to the individual or others, and does not create undue hardship on YS or its employees. If such individual is an employee or a candidate for employment, the individual must be able to perform the essential functions of the job with said accommodation.

Any person (employee, applicant, candidate, or visitor) may complete a "Request for Accommodation" form [Attachment A.2.13 (a)]. The person completing the form must forward it to the designated Unit ADA Coordinator for processing and action as instructed by the Unit Head. The Unit Head will make a decision and ensure that the person is notified of and receives a copy of the decision. A copy of the completed Request for Accommodation form, along with the Unit Head's response to the request will be forwarded to the YS ADA Coordinator.

Accommodation may also be requested by employees and candidates in the space provided on the pertinent Essential Functions Form. Such request will be processed in the same manner as the "Request for Accommodation" form described above.

C. Essential Job Functions

1. General Requirements

Employment candidates must complete an Essential Functions Form at the time of interview for employment and/or return to employment. Employees may be required to update the Essential Functions Form when deemed necessary by the Unit Head.

The Index of Essential Job Functions contains the Essential Functions Form for each job category used by YS. The Index is maintained in each Human Resources Office. Revisions to the Index require the approval of the Deputy Secretary.

2. Employee and Unit Specific Requirements

Employees may be required by the Unit Head to complete and update their Essential Functions Form under the following conditions (this is not an exclusive list):

- a. exhaustion of sick leave and exhaustion of Family and Medical Leave Act (FMLA) entitlement if applicable;
- b. expressed inability to participate in a mandatory work-related activity, such as training, and/or to perform essential job functions; and/or
- c. determination by the appropriate supervisor(s) that the employee appears to be unable to perform essential job functions.

The Unit Head will require the employee to provide an updated Essential Functions Form and Medical Certification Form [Attachment A.2.13 (b)] from the employee's health care provider so the employee's status under the ADA can be assessed. The Medical Certification Form must include: a prognosis; whether the condition is temporary or permanent; when the condition began; the expected date of return to duty; whether the employee is able to perform the essential functions of his job with or without accommodation and a description of the accommodation needed. In certain situations, a second opinion by an independent physician may be appropriate. This opinion would be at the Unit's expense.

D. Determination of Disability, Accommodation and Return to Work

1. Upon receipt of the information requested relative to the employee's condition, the Unit Head shall forward copies to the YS ADA Coordinator. The Unit Head, with the assistance of the YS ADA Coordinator, will determine whether the request/condition qualifies for ADA accommodation and take action as appropriate using the following guidelines. The Unit Head shall convene a meeting with the employee before any action is taken, in order to allow both parties to engage in an interactive process to explore all options.
 - a. If an employee falls under Section VI.C.2.b or c. and the Unit Head is unable to determine whether this is due to a temporary or permanent condition, the Unit Head may place the employee in forced sick, annual or compensatory leave consistent with Civil Service rules until this determination can be made.
 - b. If the condition does not qualify under the ADA, leave under FMLA (if eligible) or a temporary duty assignment may be appropriate. When feasible, employees who are temporarily disabled may be allowed to return to work in other assignments. If an employee is unable to return to work in any manner and has exhausted his sick leave and FMLA entitlement, he may be separated for exhaustion of sick leave.
 - c. If the disability is qualifying but no accommodation is available or the requested accommodation cannot be granted, after the interactive meeting session, the Unit Head will take the appropriate action.
 - d. In all of the above-described situations, the Unit Head shall forward all documentation, including the completed Request For Accommodation form and/or the Essential Functions Form relating to any request for accommodation, minutes from the interactive meeting(s), and other pertinent documents to the YS ADA Coordinator.

2. Reasonable accommodation(s) should be considered for qualified individuals with a permanent disability prior to separation from employment due to exhaustion of sick leave. Employees subject to such separation must also have exhausted their FMLA entitlement.

E. Conciliation Options

1. When a person feels that he/she has experienced discrimination in any manner or is not satisfied with the results of his request for accommodation, he/she may seek redress through the YS grievance process (YS "Employee Grievance Procedure", Policy No. A.2.46); "Employee Manual", Policy A.2.1; through the Equal Employment Opportunity Commission for employment related complaints; the U.S. Department of Justice (USDOJ) for issues not related to employment and/or the Louisiana Civil Service Commission.
2. Persons are encouraged to use the internal procedures to address and resolve complaints to the extent possible. Use of these internal procedures does not restrict a person from filing a complaint with the appropriate federal agency prior to exhaustion of the YS internal process.
